Welcome to CSU

Please Enter Information to Create an Account

First Name:

Last Name:

Email Address:

Username:

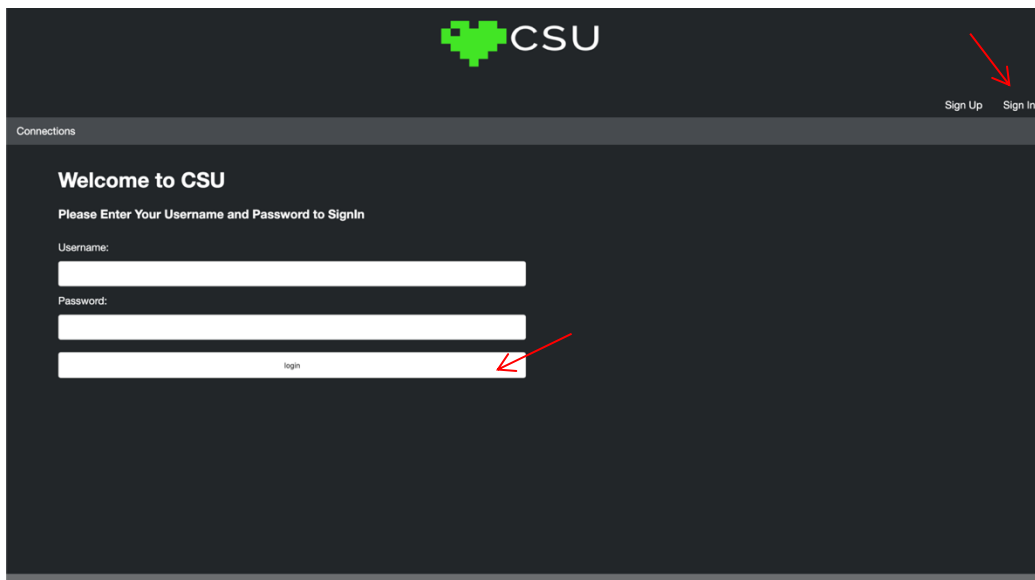

Password:

Logging In:

You will need the following information and each of the following will produce an error if not entered correctly: *Users must be registered in order to gain access into an account*

- Username:
Enter in correct username that corresponds to your account
- Password:
Enter correct password that matches with the username

Click Login and it will redirect you to the profile view

The screenshot shows the CSU login interface. At the top, there is a dark header with the CSU logo (a green pixelated 'C' followed by 'SU') on the left and 'Sign Up' and 'Sign In' links on the right. A red arrow points to the 'Sign In' link. Below the header is a dark grey bar with the word 'Connections' on the left. The main content area is dark grey and contains the text 'Welcome to CSU' and 'Please Enter Your Username and Password to SignIn'. Below this, there are three white input fields: 'Username:', 'Password:', and a 'login' button. A red arrow points to the 'login' button.

User Must be Logged In

Save a Connection

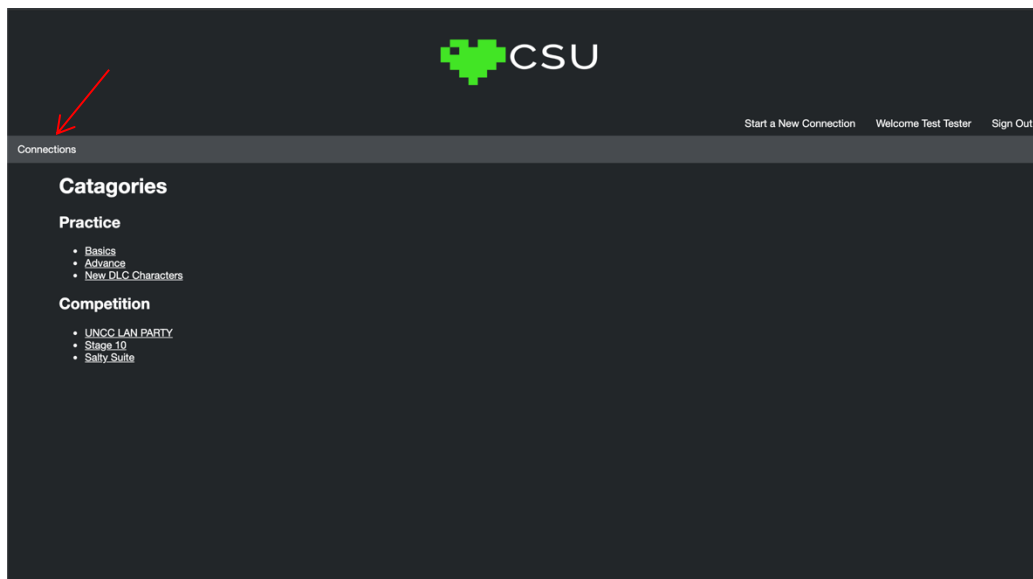

Navigate to connections page.

Click on the specific connection you want to view.

On the connections page, there will be an indication saying, "Will you be attending this session?" and it will list 3 options for the user to choose:

- Yes
- Maybe
- No

Clicking on an option and it will redirect you back into your profile page with the connection in your list.

Update a Connection RSVP

Navigate to your profile view of saved connections

Navigate to connection that you want to update

Click the “Update RSVP” button and it will navigate you back to the connection for you to change your RSVP.

The screenshot shows the CSU Connections page. At the top, there is a header with the CSU logo and navigation links: "Start a New Connection", "Welcome Test Tester", and "Sign Out". Below the header, there is a section titled "Test Tester's Saved Connections". This section contains a table with the following data:

Connection	Category	Attending	Action
Basics	Practice	YES	<div>Update RSVP</div> <div>Delete</div>

Below this table, there is another section titled "Test Tester's Created Connections". This section contains a table with the following data:

Connection	Category	Modify
UNCC LAN PARTY	Competition	<div>Update Connection</div> <div>Delete Connection</div>
Stage 10	Competition	<div>Update Connection</div> <div>Delete Connection</div>
Salty Suite	Competition	<div>Update Connection</div> <div>Delete Connection</div>

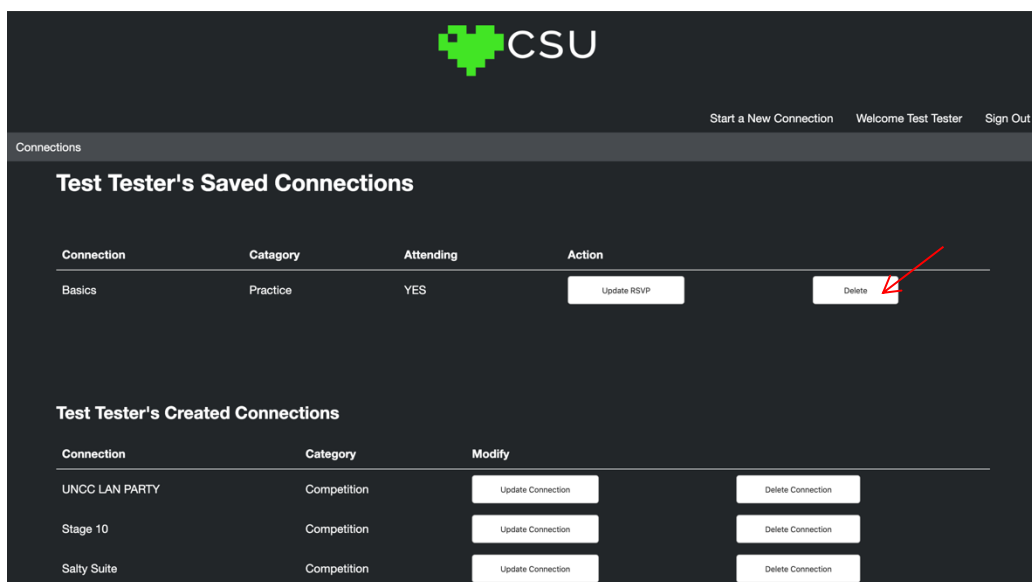

A red arrow points to the "Update RSVP" button in the "Test Tester's Saved Connections" table.

Delete a Connection in Profile

Navigate to your profile view of saved connections

Navigate to a connection that you want to delete

Click on the “Delete” button and it will delete the connection from your saved connections

The screenshot displays the CSU Connections interface. At the top, the CSU logo is visible, along with navigation links: "Start a New Connection", "Welcome Test Tester", and "Sign Out". Below the header, the "Connections" section is titled "Test Tester's Saved Connections". This section contains a table with the following data:

Connection	Category	Attending	Action
Basics	Practice	YES	<div>Update RSVP</div> <div>Delete</div>

A red arrow points to the "Delete" button in the "Action" column for the "Basics" connection. Below this, the "Test Tester's Created Connections" section is shown, containing a table with the following data:

Connection	Category	Modify
UNCC LAN PARTY	Competition	<div>Update Connection</div> <div>Delete Connection</div>
Stage 10	Competition	<div>Update Connection</div> <div>Delete Connection</div>
Salty Suite	Competition	<div>Update Connection</div> <div>Delete Connection</div>

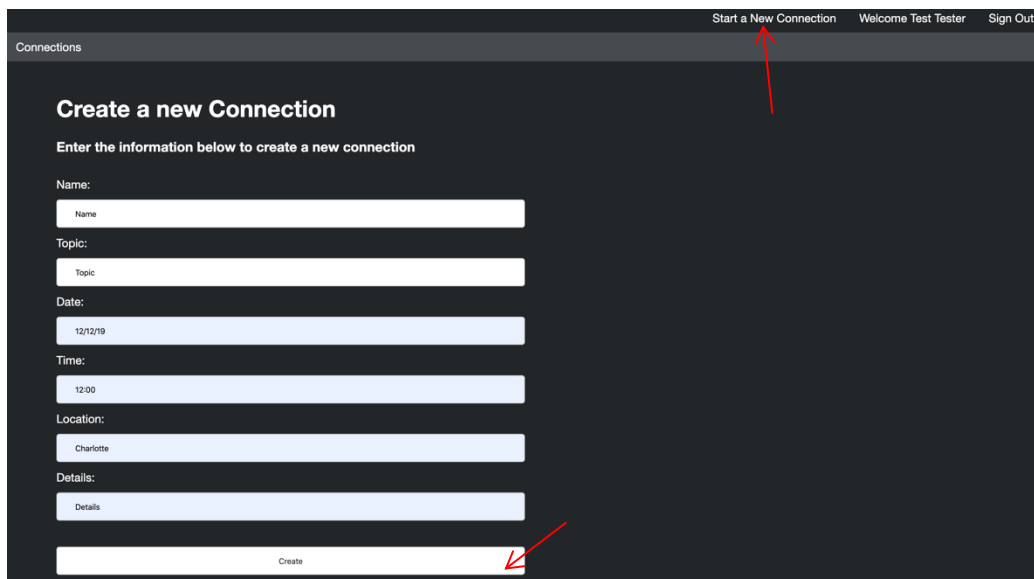

Create a New Connection

Navigate to the Start a New Connection.

You will need the following information to create a new connection and each of the following will have a criterion:

- Name
Requires a minimum of 4 characters
- Topic
Cannot Consist of Numbers, Requires a minimum of 4 characters
- Date
Requires the use of Letters & Numbers, Requires a minimum of 3 characters
- Time
Requires the use of Letters & Numbers, Requires a minimum of 4 characters
- Location
Should only contain Letters & Numbers, Requires a minimum of 4 characters
- Details
Should only contain Letters & Numbers

Click on the “Create” button and it will redirect you to the connections page, where your new connection will be listed. Click on your connection to view the details.

The screenshot shows a web application interface for creating a new connection. At the top, there is a navigation bar with the text "Connections" on the left and "Start a New Connection", "Welcome Test Tester", and "Sign Out" on the right. A red arrow points to the "Start a New Connection" link. Below the navigation bar, the main heading is "Create a new Connection". Underneath this heading is the instruction "Enter the information below to create a new connection". The form consists of several input fields, each with a label above it: "Name:" with a text input field containing the placeholder "Name"; "Topic:" with a text input field containing the placeholder "Topic"; "Date:" with a date input field containing the placeholder "12/12/19"; "Time:" with a time input field containing the placeholder "12:00"; "Location:" with a text input field containing the placeholder "Charlotte"; and "Details:" with a text input field containing the placeholder "Details". At the bottom of the form is a "Create" button. A red arrow points to the "Create" button.
